Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.A book of prose and poetry, aimed at young adults and above. It s a restless, insecure generation, continually searching for answers. My world is changing, your world, our world is changing. It is time for us to move forward, to begin caring again. Mankind has to unite, by our words, by our actions. I think about what has come before penning my own words and what will come after. Where will we be five years from now? We must be honest, patient, open, often direct, only then will we begin to bring about the changes we all want to see. In this book of rhyme and prose I cover many topics from love, regret to ambition. There is no order to my writing and each poem can be read randomly, though I do encourage they be read aloud and even to others. Where do we go from here? I, you and we must decide.
