Oxford University Press, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!

Summary: "This is a masterfully produced collection of richly researched essays on one of the Middle East's hottest topics. With the sectarian card now played, even in the richest of oil monarchies, has Pandora's Box been opened up?" --Christopher Davidson, author of *After the Sheikhs: The Coming Collapse of the Gulf Monarchies* "A timely contribution to understanding sectarianism on both sides of the Persian Gulf. The contributors are well-established historians and social scientists who offer nuanced interpretations of a malaise, at once contemporary and ancient, which threatens to redraw the region's political map. The result is an erudite exploration of the meaning of sectarianism in the context of old nations, and in newly forged ones weaving local political contexts with transnational connections and outside interventions which all seem to have escalated sectarian divides against a background of negotiated and fluid identities. The book paints a compelling picture of past and present coexistence and conflict." --Madawi Al-Rasheed, Visiting Professor at the Middle East Centre, London School of Economics and Political Science "This superb collection of essays breaks new ground in the study of..."
