Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

(Dr. Lukas Hills DDS)

ORCHID OF THE BAYOU

Gallaudet University Press,U.S. Paperback. Book Condition: new. BRAND NEW, Orchid of the Bayou, C. Carroll, Catherine Hoffpauir Fischer, "Mama knew I was 'not right'" Kitty Fischer says of her early childhood in Louisiana. Even though her mother never said it, Kitty knew she meant "deaf and dumb." Her communication difficulties were compounded by the bias her family endured for being Cajun. But Fischer excelled at the Louisiana School for the Deaf, and left her Cajun roots far behind for Gallaudet University in Washington, DC. After graduating and marrying her college sweetheart Lance, a Deaf Jewish man from New York, Kitty settled in, working as a librarian and raising a family. Eventually, though she could no longer ignore her increasing tunnel vision. Doctors quickly confirmed that she had Usher syndrome, a genetic condition that eventually leads to blindness. While Fischer struggled to come to terms with her condition, the high incidence of Usher syndrome among Cajun peoples led her to reexamine and reclaim her cultural heritage. Today Fischer prospers, enjoying her time with family and friends and celebrating the Deaf, Cajun, Blind, and Jewish cultures that shape her life. Her lively story will resonate with anyone who recognizes the arduous journey towards claiming an identity.
