Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe. (Derick Brekke)

You will be told that only the great fortunes are made in Wall Street; that there is not the opportunity for the young man there used to be. To-day, most people will bear with me when I say there are more opportunities and better ones than ever. Before you think of going West, study the possibilities in South America. It is hard to realize that, after being with a railroad, some large corporation, or in a lawyer's office for a few years, your emoluments will not be as great as the carpenter or bricklayer. In South America the comparison cannot be made. Whether you pick out Venezuela, Colombia, Ecuador, Peru, Bolivia, Brazil, Argentine or Chile, Uruguay or Paraguay, you can pick out your choice of climate, from tropical to frigid, with atmospheric conditions varying from sea level to over 12,000 feet elevation. You can choose between the countries that have state governments and white population, and the so-called unstable governments with a large negro population, near the equator. The latter are not as satisfactory as the former, but the chances of great gain are sometimes large if one possesses courage, and the determination to succeed and not get mixed up in revolutions. A civil tongue and sober head will take you anywhere at day or night without the necessity of using firearms, although sometimes after dark I found it safer to travel in the...
