Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

Menoher, Chief of the Army Air Service, Brig. Gen. William Mitchel, Assistant Chief, Secretary of the Navy Josephus Daniels, and Capt. T. T. Craven, Director of Naval Aviation, were among officials in the grandstand which seated also many members of the diplomatic corps. Major Arthur Christie, Commanding Officer at Mitchel Field, was congratulated for the excellent arrangements made under his supervision. It was significant that thousands had watched so many planes racing in close formation without serious accident to planes, pilots or onlookers, while that same day at several especially prepared speedways in the United States motor cars crashed and hurled their drivers to instant death. Besides the handsome trophy donated by Ralph Pulitzer of the New York World, there were the Valentine Liberty bonds, aggregating \$5,100, for class prizes. The first plane to hop off was the Thomas-Morse Scout, piloted by Capt. Hartney, which left the ground at 11:20 A.m., and finished second. A Loening special, piloted by Lt. C. G. Bradley of the Marine Corps, got away next and was followed by other machines in numerical order. In rapid succession the other contestants were given the signal to take off and by the time the last of the 34 machines had started the spectators were watching the first plane finish the first lap. Twelve of the contestants came to grief during the race; 11 on account of mechanical trouble, while one was disqualified for an infraction...
