GENDER AND DIGITAL ECONOMY: PERSPECTIVES FROM DEVELOPING WORLD

MD Publications Pvt Ltd. (Prints India), New Delhi, 2011. Soft cover. Book Condition: New. Much of the discussion about new technologies and social equality has focused on the oversimplified notion of a digital divide. Technology and Social Inclusion moves beyond the limited view of haves and havenots to analyze the different forms of access to information and communication technologies. Drawing on theory from political science, economics, sociology, psychology, communications, education, and linguistics, the book examines the ways in which differing...

Reviews

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.

An exceptional publication and also the typeface utilized was fascinating to learn. Better then never, though i am quite late in start reading this one. You will not really feel monotony at at any time of your time (that's what catalogs are for concerning if you ask me).

-- **Thea Lind**

A whole new electronic book with a new point of view. It can be full of knowledge and wisdom Its been written in an exceedingly simple way which is only following i finished reading through this pdf in which really modified me, modify the way in my opinion.
