Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Brand New Book ***** Print on Demand *****.As time unravels and the end of days is quickly nearing, mysterious unexplained events are occurring all around the world. Clovis, a small city located in eastern New Mexico, is no exception. UFO sightings, a mysterious compound under construction just outside of town, and the pending yet unexpected arrival of thousands of strangers are only some of the eerie events unfolding. This first book of a series invites you to witness divine destiny being fulfilled in the lives of two childhood sweethearts. After having been separated from each other and from God for a span of almost fifty years, they are supernaturally reunited in order to lead a battle against an evil conspiracy that was birthed just prior to World War Two. Experience glimpses into the hero s and heroine s pasts, which include flying saucers, cowboys, angels, demons, and believe or not, some famous 1950 s rock and roll icons. Also added into the mix, are very large portions of action, adventure, and suspense.
