This little songster of the garden is a prime favorite of all bird-lovers. Late in April his song is first heard and--as there are several broods--the singing, like the Robin's, lasts till August. Sitting on some outhouse, the wren will sing as if its throat would burst. Bobwhite. *Colinus virginianus*. This well-known game bird has a loud, clear whistle. In spring, the two notes sound quite like the bird's name; at other seasons one long note is heard. Like the Cardinal, the whistle of Bobwhite will deceive a person little acquainted with the songs of birds. (To be continued.) A. MIGRATION OF OUR BIRDS IN THE SPRING OF 1911. By Brother Alphonsus, C. S. C. A number of species showed during three successive seasons great regularity in the dates of their arrival. The Bluebird's dates were: 09, Mar. 1; 10,...
