

Imagist Poetry (Paperback)

By Edith Blaisdell

Dover Publications Inc., United States, 2011. Paperback. Book Condition: New. 208 x 130 mm. Language: English . Brand New Book. Many of the 20th century's most important and influential poets rallied under the banner of Imagism, a radical poetic movement that extended the frontiers of English literature. By following a strict set of principles including direct treatment of the subject, minimal use of adjectives, precision of language, and the development of an individual rhythmic style the Imagists created dazzling works of gemlike appeal. This volume contains over 180 well-chosen Imagist masterpieces by Ezra Pound, D. H. Lawrence, H. D. (Hilda Doolittle), James Joyce, Wallace Stevens, William Carlos Williams, and other masters. Its roster of lesser-known poets features Richard Aldington, Walter Conrad Arensberg, Skipworth Cannell, Adelaide Crapsey, John Gould Fletcher, and many others. Several of these poems appeared first in books by the represented poets and in the very first Imagist anthologies; others were published in such journals as Poetry, The Dial, The Trend, and The Egoist. Carefully chosen for their individual poetic strengths as well as their characteristic illustration of Imagism, these verses represent the very best of thousands of imagistic verses published from 1913 to 1922.

Reviews

An exceptional publication as well as the font applied was intriguing to learn. It usually does not charge an excessive amount of. Its been designed in an exceedingly basic way and it is just after i finished reading through this book through which in fact altered me, modify the way in my opinion.

-- **Haylee Hackett**

It in a of the best ebook. It generally is not going to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
